RE: COMPANY PROFILE

Kalahari Automation Distributors is Botswana's leading supplier of industrial automation, control and instrumentation equipment. With distributor agreements from the world's most advanced and trusted automation brands such as Rockwell Automation, Elpro Technologies and Cambium Networks, we strive to offer our clientele the best solution in the shortest time possible.

With extensive experience in the industry and offices in both Francistown and Gaborone, our Technical Sales Team is in a position to service Botswana.

Being an Official Authorized Distributor of Rockwell Automation's Allen Bradley range, examples of our current stockholding includes, but is not limited to:

- Contactors
- Electronic Overload Relays
- Molded Case Circuit-Breakers
- Motor Protection Circuit-Breakers
- Soft Starters
- Variable Speed Drives
- Power Supplies
- Programable Logic Controllers
- Relays
- Push buttons
- Pilot Lights

For non-stocked items, our team will strive to supply the required products timeously from Rockwell Automation's hub in Johannesburg.

Please direct any enquiries to the above contacts.
